Film Production Guidelines

Welcome to the City of Los Angeles, Department of Recreation and Parks. In our partnership to protect the environmental integrity of our parks the Park Film Office is providing guidelines to ensure a safe and successful film shoot. Please review and provide copies of these guidelines to the appropriate responsible persons. Thank you for the continuous use of our parkland.

- Okay to take stills at Bronson Caves on 3/19/14.
- Okay to be on East Observatory trail with no more than 12 people on trail at one time.
- Company must give right of way to hikers and equestrians on trails.
- Okay to move vehicles to Vermont Ave for parking after Bronson Caves.
- Okay to film in canyon area next to the Bird Santuary.
- Company must not interfere with Observatory staff.
- Company cannot use Observatory parking.
- Okay to have 1 cast and 13 crew.
- Okay to have exterior photo shoot in and around caves.
- Okay to set up tents as long as they are not staked into the ground.
- Okay to park in Bronson Caves parking lot.
- Okay to have lights.
- Not permitted to have weapons, animals, fighting or special effects.
- No alterations to the caves permitted.
- Okay to have cars parked by the clearing near the cave or in parking lot.
- No alterations to the cave permitted without clearance from Park Film Office.
- Okay to park vehicles at Bronson Caves Parking lot and/or by clearing north of the caves.
- Trucks not permitted to leave after 10pm but they can pull out at 7am as long as they park in the lot and not behind the gate so they will not need a monitor.
- No digging, nailing or staking permitted on walls of caves but is okay to bull prick in ground.
- Special effects (explosions, etc) may be considered on a case-by-case basis and for exterior use only. Any special effects that may cause damage to the interior/exterior of cave integrity are not permitted. Final approval from Griffith Park Maintenance Director and Park Director is needed prior to filming.
- Introduction of large trucks that may have the potential to disturb the rock formations by vibration, weight, or otherwise must be discussed with park personnel for consideration.

NOT A PERMIT

- Bolting, drilling or nailing into the cave walls is not permitted. Existing bolts, nails and holes may not be used for mounting props or otherwise.
- Altering of chaparral vegetation may be considered at park's discretion, please inquire.
- Climbing or use of ropes (or similar) on rock face above caves is prohibited due to shifting. NO EXCEPTIONS.
- Open flame cooking must be cleared with on-site Fire personnel in conjunction with park monitor.
- Company is responsible for clean-up and off-site disposal of all self generated trash, which may include trash along the dirt road and hillsides.
- Company must provide restroom facility from beginning to end of the reservation period.
- Large trucks may not enter/exit park between the hours of 11pm-7am, including catering trucks. NO EXCEPTIONS.
- All vehicles must be parked in lower dirt parking lot or at caves (limited). All vehicles must remain at least 5 feet away from existing chaparral. No street parking.
- Must leave at least 10 parking spaces in southern part of lower dirt parking lot available for park patron use. Additional parking restrictions may apply, inquire with park coordinator.
- Due to the area being a mountain fire district, "Red Flag" days will be designated as necessary by LAFD which may impose more infringing fire safety guidelines. Inquire with Fire Department.
- Any pre-approved changes or accidental damages must be promptly restored to original or better conditions. Nudity is not allowed at any time on city park property, no exceptions.
- Company is responsible for bringing in their own restroom facilities and cannot use public park restrooms for their cast and crew.
- Company must bring in own trash receptacles and remove all trash generated by company prior to leaving location. Company cannot use parks trash receptacles.
- If company uses the parks water or electricity, the company will be invoiced post filming $75 per used utility per day. If companies use more water or electricity than the $75 use fee covers, the company will additionally be invoiced for the remaining balance.
- Company must maintain a 20ft unobstructed emergency access lane at all times in the parking lot and along the road leading up and around the cave.
- No staking into ground. Companies must use weights, sandbags, buckets of water to hold down any tents or props.
- No staking or digging allowed.
- Generators and all vehicles must be placed 75ft away from caves.
- Company is responsible for posting a crew member at gate to monitor production vehicles entering and must make sure the public does not gain access behind the gate with their vehicles.
- Smoking is only allowed in designated areas specified by a park film monitor or Fire Marshall.
- Smoking not permitted without a monitor or Fire Marshall present.
- Designated smoking areas in park must be away from public activity.
- Large water or sand filled buckets need to be present in smoking areas at all times.
- Smoking area may be revoked depending on weather and fire safety needs.
- Failure to comply with smoking guidelines will void film permit and company may be subject to fines.

(Bronson Caves & Griffith Park)

NOT A PERMIT

91621

GENERAL TERMS, CONDITIONS AND RESTRICTIONS

1. AUTHORITY -- This permit is issued under the authority of the city or county having jurisdiction over the location where the activity authorized herein is to take place (the "Permit Authority") and shall not be assigned by permittee without the written consent of the Permit Authority. This permit neither grants permission to use or occupy property not belonging to, or under the control of, the Permit Authority nor certifies permittee's compliance with paragraph 4 hereof. Use or occupancy of such property requires, in addition to this permit, the permission of the owner or other person controlling the use of such property. Proof of such permission may be required by the Permit Authority before the issuance of this permit.

2. PERMIT REQUIREMENT -- This permit must be in the possession of permittee at all times while on location and must be made available for inspection when requested by the Permit Authority, its authorized representative(s) or the public.

3. RIDERS - Additional documents known as "Riders" may from time to time be issued to alter or amend an original permit. Except as amended by the riders, all other terms and provisions of the original permit remain in effect. When issued, a rider becomes a part of and must be attached to the original permit.

4. COMPLIANCE WITH LAWS -- Permittee agrees to comply with all applicable federal, state and local laws, regulations, ordinances and rules, including all applicable federal and state regulations for workplace safety and requirements for workers' compensation insurance for all persons operating under this permit as well as all applicable regulatory, environmental, safety and other standards, of care in carrying out the activities that are the subject of this permit (the "Permit Activities"), including Los Angeles Municipal Code Section 12.22.1. Vehicle code provisions and/or posted parking regulations will be enforced unless specifically exempted by this permit.

5. INSURANCE -- This permit shall not be effective until permittee has submitted satisfactory evidence of general liability insurance conforming to the requirements of the Permit Authority. The type, coverage, policy limits and other conditions of insurance shall be that required by the Permit Authority at the time the permit is issued, unless a different type, coverage, policy limits and other conditions of insurance are specified in this permit. If permittee uses or operates licensed motor vehicles in connection with the Permit Activities, automobile liability insurance conforming to the Permit Authority's conditions is required as well.

6. INDEMNIFICATION -- Permittee (and/or its insurer) shall defend the Permit Authority, FilmL.A., Inc., and their respective directors, officers and employees (collectively, "Indemnitees") against any and all charges, claims or investigative, administrative, civil or other proceedings (whether such charges, claims or proceedings are threatened, pending or completed), except for Indemnitees' acts or omissions found to constitute gross negligence or willfully tortious conduct, arising from or relating to any act or omission to act of any Indemnitee in connection with the issuance of this permit, the provision of services by Indemnitees (or any of them) in connection with this permit and the activities carried out pursuant to this permit. Permittee (and/or its insurer) also shall indemnify and hold harmless Indemnitees against any and all losses, expenses and costs (including but not limited to settlement costs, judgments, fines, attorneys' fees and other defense and investigation costs) incurred, as they are incurred, in connection with any such charges, claims or proceedings, except for those arising from Indemnitees' acts or omissions found to constitute gross negligence or willfully tortious conduct.

7. CONSIDERATION -- Before a permit (or rider) shall be issued, permittee shall pay to FilmL.A., Inc. the applicable permit (or rider) application or processing fee as well as all estimated use charges and other fees (including clean-up and repair deposits) of the Permit Authority (or any of its departments) in connection with such permit (or rider). As soon as practicable after completion of the Permit Activities, each department of the Permit Authority shall notify FilmL.A., Inc. in writing of the actual use charges and other fees (including actual clean-up and repair costs) assessed by such department of the Permit Authority in connection with this permit. If the actual use charges and other fees (including actual clean-up and repair costs) assessed by the Permit Authority (or any department or departments thereof) exceed the estimated use charges and other fees of the Permit Authority (or of any department or departments thereof), permittee (or other party for whose benefit the Permit Activities were conducted) shall pay the shortfall to FilmL.A., Inc. within 15 days following the mailing of notification that such payment is due; provided, however, that FilmL.A., Inc. shall not seek to recover such shortfalls unless the use charges or other fees actually assessed by the Permit Authority (or any department or departments thereof) exceed the estimated use charges or other fees of the Permit Authority (or of any department or departments thereof) by more than $100. If the estimated use charges and other fees paid by permittee in connection with this permit exceed the aggregate use charges and other fees (including clean-up and repair costs) actually assessed by all departments of the Permit Authority for this permit, **FilmL.A., Inc. shall refund to the party responsible for carrying out the Permit Activities such excess payment only if (a) FilmL.A., Inc. receives from such person within 90 days of completion of the Permit Activities a written request for the refund of any such excess payment and (b) the estimated use charges and other fees paid in connection with this permit exceed the actual use charges and other fees for this permit by more than $100.** Any such refund to permittee shall be made within 30 days of FilmL.A., Inc.'s receipt of written notification from the Permit Authority of the total actual use charges and other fees relating to this permit. Any excess payments not refunded to permittee shall constitute a part of the permit application or processing fee.

8. AUTHORITY TO REVOKE/CANCEL -- In the event that an authorized representative of the Permit Authority determines that the activities being or to be conducted under this permit unnecessarily endanger the health or safety of any person, that said activities are likely to or will cause immediate damage to real or personal property, or that such activities are not being conducted in accordance with the terms and conditions of this permit, said representative, at his or her sole discretion, may suspend, revoke, cancel or amend this permit. Furthermore, failure to comply with the terms and conditions of this permit could result in the denial of any future permit applications by permittee, the person failing to comply and their respective principals, agents and employees. The Permit Authority reserves the right to suspend, revoke, cancel or amend this permit at any time without incurring any liability to permittee or its representatives, successors or assigns.

Without limiting the foregoing, an authorized representative of the Permit Authority may suspend, revoke, cancel or amend this permit if permittee does not abide by the following code of conduct: (a) equipment/crew may not arrive before or depart after any time specifically designated by this permit; (b) moving or towing of vehicles is prohibited without owner permission or authorization from police or other appropriate civil authorities; (c) crew vehicles/equipment parked on streets must adhere to all parking signs and other legal requirements unless otherwise specifically authorized by this permit; (d) parking on both sides of a street without specific authorization by this permit is prohibited; (e) trespassing onto neighboring property without owner permission is prohibited; (f) removing, trimming and/or cutting of vegetation or trees is prohibited unless specifically approved by property owner and the Permit Authority; (g) on or before the date of expiration of this permit, permittee must remove all catering, crafts service, construction, strike and other (including personal) trash as well as all signs, location structures and other matter placed on the property in connection with the Permit Activities; (h) all signs or other matter removed or altered for purposes of carrying out the Permit Activities shall be replaced and restored to its or their pre-existing condition upon the completion of such activities, unless specifically authorized otherwise by this permit; (i) noise levels must be kept as low as reasonably possible, and generators and other noisemaking equipment must be kept as far as reasonably practicable from residential buildings; and (j) all persons working under this permit shall observe designated smoking areas.

9. LIMITATION OF LIABILITY -- Neither the Permit Authority, FilmL.A., Inc., nor their directors, officers, employees, agents or representatives, shall be liable for any reason to permittee or the person for whose benefit this permit is issued or their respective predecessors, successors, assigns, representatives, parents, subsidiaries, affiliates, partners, officers, directors, owners, heirs or employees for damages of any nature (including special, incidental, compensatory, consequential or punitive) arising from or relating to the issuance, suspension, revocation, cancellation or amendment of this permit or carrying out (or attempting to carry out) the Permit Activities.

10. ADDITIONAL TERMS APPLICABLE TO FILMING ON PERMIT AUTHORITY PROPERTY -- (a) Permittee shall be subject to the control and instructions of the Permit Authority representative(s) assigned to permittee, which representative(s) shall coordinate the Permitted Activities in cooperation with FilmL.A., Inc. to avoid interference with the operations of the Permit Authority's facilities or property; (b) On or before the date of expiration of this permit, permittee shall remove from said properties all catering, crafts service, construction, strike and other (including personal) trash as well as all signs, location structures and other matter placed on the property in connection with the Permit Activities; and in the event permittee fails to do so, the Permit Authority may cause the same to be done and permittee agrees to pay the Permit Authority any costs so incurred; (c) Permittee agrees to pay the Permit Authority the cost of repair and/or removal of Permit Authority property damaged in connection with operations undertaken under this permit; (d) Permittee acknowledges and represents that it has inspected the Permit Authority's properties, knows the conditions thereof, and agrees to indemnify, defend and hold harmless the Permit Authority as indicated in conditions numbered 5 and 6 above; (e) Permitted Activities that are disruptive to operations of the Permit Authority facilities or property, to its employees or to the public who patronize the facility, may be prohibited if they cannot be segregated or the impact mitigated in a manner acceptable to the Permit Authority; (f) Filming activities that are found by the Permit Authority to be disruptive must be immediately mitigated; if not, this permit may, at the sole discretion of the Permit Authority (or its designated representative), be immediately revoked, and neither FilmL.A., Inc. nor the Permit Authority shall be obligated to refund any application or processing fee or use charges or other fees in the event of such revocation; (g) This permit does **not** grant Permittee a license to use the Intellectual Property (seals, badges, symbols, etc.) of the Permit Authority. Permittee must receive separate permission/clearance from the Permit Authority to use or film such Intellectual Property. (h) By issuing this permit, the Permit Authority does not imply that use by permittee shall be exclusive. Except as specifically provided in this permit, permittee acknowledges that permittee shall not be entitled to exclusive use of such facilities or property.

We hereby accept this permit and agree to abide by all the terms and conditions herein.
